If you must cancel out of a tournament, please notify the Pro Shop (432-8950) as soon as possible.

Each player is responsible for posting their own scores in the GHIN system. WGA members should adhere to the OCC rules of conduct and exhibit good course etiquette.

## **ANNOUNCEMENTS**

Event announcements will be posted on the WGA Bulletin Board located on the Pro Shop porch and via email.

## TOURNAMENTS

Prizes are awarded in Thursday regular play, and in WGA/ OCC tournaments. **There is a required minimum field of four players for a prize eligible event.** Assigned tee-times must be adhered to.

**To be eligible for prize money**, a player must have an established handicap consisting of THREE **current** 18 hole or SIX current 9-hole scores recorded GHIN scores. Your current handicap is your GHIN system handicap which includes scores from other clubs. **The maximum allowable handicap is 54 for 18 holes and 27 for 9 holes.** If you do not have an current GHIN handicap you will be assigned a handicap of 20 until enough scores are posted and one is established.

If a rules question arises during tournament play, the Director of Golf should be consulted. If a ruling is not immediately available, the player must play two balls for that hole.

The Pro Shop will print the score cards and compile the final scorings and results for each event. All scorecards must be signed, dated, and attested for tournaments. Failure to do so will result in disqualification. Score cards must be turned in to the Pro Shop immediately following each competitive tournament round.

Each player is responsible for posting their own tournament score into the GHIN system

## Season Long Games

Hole-in-one fund -- join by paying the treasurer \$5.00. The money in the fund gets distributed when a WGA member records a hole-in-one at OCC that is witnessed by another WGA or MGA player. Then a new fund gets started with those who want to participate paying the treasurer another \$5.00.

Ringer book - join by paying the treasurer \$5.00. The money in the fund gets distributed at the end of the year based on performances at OCC that are recorded in the ringer book. The ringer book is located in close proximity to the pro shop computer where members can post their scores into the GHIN system. Enter your scores via the paper and pen method on your separate page. Enter your score for a round, then replace each improved score on a hole by hole basis for subsequent rounds. Enter your birdies where indicated.

## **GOLF ETIQUETTE & SPEED OF PLAY**

Whether you are a beginner or an experienced golfer, there are two factors that will determine how you are regarded by your fellow golfers. They are your attention to golf etiquette and to speed of play. Here are some tips that are related to both:

When there is an open hole in front of you, let the players waiting behind you play through. Otherwise you will cause congestion on the entire golf course.

Good cart management is important. When walking a distance from your cart to the ball, take multiple clubs with you so you are prepared to shoot. When sharing a cart, drop your partner off at her ball and proceed to your ball. Hit your shot and pick up your partner, who should be walking toward the green.

Do not linger over lost balls. Your fellow players will appreciate your courtesy. As per PGA rules, your search must not exceed three minutes.

Replace divots. Use the rake to smooth sand in bunkers. Mark scores on score cards at the next tee, not at the side of the green you have just played.

Do not move, talk nor stand directly in front of or behind a player making a stroke.

Keep your handicap accurate. Inaccurate handicaps cause many problems. Enter your score after each round. If you need help, the Pro Shop can assist you.

Be responsible. Leave the course in the condition in which you would like to find it for maximum playing enjoyment.

**Courtesy is contagious . . . let's all catch it!**
